**AARVEE DENIMS AND EXPORTS LTD.**
**f. Management's perception of risk factors:**

Aarvee Denims and Exports Limited have been in the denims and textile segments for nearly 27 years and having good domestic and international market share. The Management believes that demand of denim will increase when the economic scenario improves. The domestic denim market is facing challenges of oversupply, slowdown of consumer demand due to high inflation. The Company hopes that in midterm the global economic scenario will change and demand of denims will bust up which help to improve profitability of the Company in forth coming years.
